

**LOWER LOUDOUN BOYS FOOTBALL LEAGUE
“SERVING OUR YOUTH FOR 40 YEARS”**

TEAM SPONSORSHIP

The fall of 2009 will mark the 40th year that the Lower Loudoun Boys Football League has been providing the Sterling area children with the opportunity to participate in a sports program that teaches the fundamentals of football, teamwork and sportsmanship.

LLBFL is run entirely by volunteers. Many of the same kids who played football or cheered on a cheerleading squad in this league have grown up and come back to coach and volunteer their time. Parents and members of the Sterling, Potomac Falls, Ashburn, and South Riding communities have given tirelessly of their time supporting fundraisers, which help the league exist.

The cost of purchasing equipment, insurance and maintaining the facility is enormous. The cost of registration only covers a small portion of the year's expenses. Each child is outfitted entirely by the league (uniform, pads, helmet, etc.) which help defray the costs for many lower income families who simply could not afford to have their children play football otherwise. We are desperately trying to keep the cost of registration financially viable for as many Sterling area families as possible.

The fee for an LLBFL Team sponsorship is \$500.00 which includes your corporate/individual name announced during games at Bill Allen Field, a sponsorship plaque that includes a picture of the team you are sponsoring and a 3' X 5' banner that is placed on the fence surrounding Bill Allen Field at 333 S. Sterling Blvd., Sterling, VA.

Would you please help us continue to offer this important program to our children by completing the attached form and mailing your donation to the address listed on the top of the attached form. You can be one of our corporate sponsors that helps carry on the tradition which began so many years ago. A tradition, which has helped shape many of the lives of the children that have played LLBFL football.

If you are interested in becoming a premier sponsor, we are kicking off a major field improvement fundraiser that is separate from our annual sponsorship to assist us in replacing our aging lights and bleachers at Bill Allen Field. If you are interested in making a considerable donation, please contact Nick Macioce at (703) 404-3195 and inquire how you can help us improve Bill Allen Field into a great football stadium for the children in our community.

Thanks Again,

**Gary Kidwell
President**
